

Owners Dianne C. Boazman, LCSW, CMC and Betty Bartels Tedesco, LCSW, CMC are both Master's level Social Workers with extensive health care experience.

For over 20 years, Dianne and Betty have built a unique Geriatric Care Management and caregiver service specializing in Alzheimer's care.

As Certified Care Managers, they are active in national leadership positions in their specialty field, and are frequently called upon as speakers and trainers. They are also actively engaged in many community organizations including...

- East Jefferson Business Association
- Executive Women International
- Louisiana Guardianship Services
- New Orleans Women's Professional Council
- The Rotary Club of New Orleans

Their passion and commitment ensure that clients receive the highest quality care, based on professional and ethical standards.

Home Care Solutions serves the Greater New Orleans area.

Services are available 24-hours, seven days a week. Caregiver services begin with a professional assessment and are billed at an hourly rate with a five hour minimum. Geriatric Care Management services are also billed hourly. Visit www.HomeCareNewOrleans.com or call 504-828-0900 for rate information.

A Louisiana licensed Personal Care Attendant "PCA" company.

Security, Assurance, Peace of Mind

Our team of experienced, bonded and insured caregivers provides older adults help with activities of daily living and companionship services. Each caregiver is carefully matched to meet both the client needs and personality. We are committed to providing clients with the highest quality of care in their chosen environment. Home Care Solutions can keep loved ones safe and comfortable while giving families peace of mind.

Solutions for Complex Care

Families can become overwhelmed by care decisions. Our Care Managers can help navigate the complex maze of medical, financial and long-term care options. For families living out-of-town, Home Care Solutions can be your eyes and ears. From coordinating medical appointments to managing crisis situations, we provide problem solving and personal assistance. In addition to in-home care, Home Care Solutions has experience working with independent living communities, nursing homes and hospitals.

Home Care Solutions – extending independence...

IN HOME CARE • GERIATRIC CARE MANAGEMENT

Geriatric Care Management Fee-Based Services

Beyond caregiver services, fee-based professional Geriatric Care Management Services are especially helpful to out-of-town family members, or busy, in-town professionals.

Our Geriatric Care Managers can:

- Schedule doctors' visits and coordinate medical care
- Attend medical appointments with clients and report back to families
- Manage crisis situations such as accompanying a client to the ER
- Re-assess clients upon hospitalization
- Explore options with families for medical and residential care including assisted living and nursing home choices
- Arrange services such as home health care, physical and occupational therapists and adult day care
- Procure safety equipment and specialized supplies
- Provide education and resources on Alzheimer's and dementia care
- Assist with long term care insurance benefits process
- Assist with bill paying and household money management
- Refer to elder law attorneys or fiduciaries
- Provide court-appointed guardianship services
