We Believe in... Never-ending support

Toasty Tips for Staying Warm when it's Cold

Cooler temperatures are upon us! When heading out, it's a good idea to wear layers, as well as:

- A hat
- A pair of gloves or mittens
- A coat
- A scarf to cover your mouth and nose

When at home:

- Keep a blanket near-by
- Eat hot soup
- Fleece slippers around the house will keep your feet warm
- Close curtains to keep draughts out
- Sleep in socks at night

Sometimes the best comfort you can provide during the long winter months is companionship.
