Caregiver of the month!

Likitha McNeil

Home Care Solutions' August 2018 Caregiver of the Month is Likitha McNeil. **Likitha** began working for Home Care Solutions in March 2017.

Likitha is known for her kindness and gentle smile; she is considered a great team player; her disposition and loyalty have proven that she is a very compassionate and dedicated caregiver. She conducts herself in a professional manner. Likitha is very dependable, courteous, patient and sincere to her clients. Likitha received a gift card and a pin. Congratulations!

We believe continued caregiver training benefits our clients and

Home Care Solutions' team of caregivers are the best around. To enrich the lives of both, our clients and caregivers, Home Care Solutions provides 8 hours of classroom training each year as well as customized training in our clients' homes. New caregivers receive 16 hours of training.

It is important that Home Care Solutions' caregivers continue to gain knowledge and skills necessary to provide effective care to any client or family members that are in their care. In addition, any caregiver who provides transportation for our clients attends a 3 hour "Safe Driving" course.

Our caregiver training programs are designed so our caregivers can provide excellent and compassionate care to all of our clients.

Have you heard?

Poydras Home and Home Care Solutions are proud to announce the beginning of a new chapter as Poydras Home acquires Home Care Solutions.

Poydras Home, a Continuing Care Retirement Community (CCRC) in Uptown New Orleans offering Independent Living, Assisted Living and Nursing Care as well as specialized Memory Support and an

Adult Day Program, celebrated their bicentennial anniversary in 2017. Home Care Solutions is proud to become a part of this lasting legacy while expanding Poydras Home's reach deeper into the Greater New Orleans area to fulfill the diverse care needs of even more seniors.

Poydras Home recognizes that community living is not the only option available to our aging population. In accordance with national industry trends, many CCRCs like Poydras Home are now offering support within the home through the acquisition of non-medical sitter companion service providers such as Home Care Solutions, allowing families to choose their optimum environment.

Home Care Solutions will continue to deliver our same menu of Aging Life Care Management services, personally advising seniors and their families as they face a wide variety of healthcare choices while also providing highly trained, non-medical sitter companion services within the home, extending our clients' independence. Home Care Solutions will also continue to operate at our current Metairie office location.

This exciting new venture will allow greater flexibility for both Poydras Home and Home Care Solutions to continue to meet the growing needs of more New Orleanians.
